

MOVING ON UP TRANSITIONS PROGRAMME

THE EDUCATION AUTHORITY & CLONDUFF YOUTH CLUB

The move from primary school can be very daunting for some children but moving on to a different school can also be very exciting and it will bring with it new experiences.

It can be very different in a new school and some children may feel overwhelmed by the prospect of this change.

It can be very useful to prepare children for the different things that might happen or that they may be worried about.

This programme is designed to be fun and interactive whilst helping the children to look at what their new school will be like and some of the changes that might happen.

We will look at strategies that the children can employ to help them cope with any potential changes.

The programme will run in Clonduff Youth Club from 4.30pm to 6.00pm on the following dates.

Registration 6.00pm – 7.00pm (18/5/23)

Session 1 (25/5/23) 4.30pm to 6.00pm
